PROFESSIONAL EXPERIENCE

Napster Corp. (formerly Infinite Reality) | Feb. 2025 – Sept. 2025

Tech marketing focused on B2B immersive 3D solutions and B2C AI products

Sr. Content Strategist, Product Marketing (*Role eliminated*)

- Led content, messaging, and positioning strategies for 4 product launches in 6 months, strengthening GTM execution and brand narrative.
- Generated content for key marketing channels, including blog, email, product, web, etc.
- Developed and executed webinar strategy that boosted registrations by ~33% and attendance by ~48%, driving thought leadership and customer engagement.
- Designed SEO-aligned blog strategy that increased qualified traffic and elevated product visibility.
- Created and maintained a centralized product marketing overview for Napster 3D Studio (B2B SaaS), supporting sales enablement and onboarding.
- Conducted competitive and user-driven product positioning analysis for Napster Spaces and Napster Companion (AI tools), resulting in refined messaging and improved GTM alignment.
- Acted as a primary liaison between Product and Marketing to translate technical capabilities into compelling narratives for customers and stakeholders.

Datality | Aug. 2024 – Apr. 2025

Data engineering professional services company

Fractional Head of Marketing (*Part-time*)

- Developed messaging and positioning strategy that clarified brand value for technical buyers.
- Directed creation of digital assets and social campaigns, enhancing visibility and engagement for a data engineering startup.

InfluxData | Aug. 2021 – July 2024

Developer-focused B2B marketing for time series database InfluxDB.

Senior Manager, Content Marketing (*Role eliminated*)

- Built end-to-end content strategies that generated \$20M+ in pipeline and consistently surpassed MQL targets.
- Partnered with SMEs and executives to deliver technical content tailored to ICPs, strengthening credibility and conversion.
- Created targeted messaging for verticals and launches, aligning marketing with product roadmap.
- Created and implemented processes that enabled proactive content initiatives and improved organizational efficiency.
- Established proactive content processes and analytics dashboards, enabling data-driven optimization and operational efficiency.
- Managed content team and budget to scale output, improve quality, and maximize ROI.

Content Marketing Manager

- Directed editorial calendar and launch content, ensuring consistent delivery for campaigns and product rollouts.
- Produced diverse marketing content (blogs, social, video, e-books, case studies, SEO copy, and sales collateral) that improved engagement and demand generation.

- Developed and launched educational [video series](#) and [InfluxDB University](#) content, expanding product adoption and customer success.

Plum Voice (acquired by SharpenCX) | Aug. 2015 – May 2021

Developer and technical-focused B2B marketing for an Interactive Voice Response (IVR) platform.

Technical Writer, Analyst Relations, Marketing Strategist, Copywriter

- Produced marketing campaigns and ABM content that drove pipeline growth in targeted verticals.
- Managed analyst relations (Gartner, Forrester) to increase market visibility and credibility.
- Led documentation migration and created marketing assets that boosted customer acquisition and retention.

The Content Doctor | Sept. 2013 – Present

Freelance Content Strategist/Analyst, Copywriter, Editor

- Delivered content creation, strategy, analysis, writing, and editing services to various clients, including early-stage start-ups, academic work, and sports reporting for national publications.
- Work samples and publication list available at <https://github.com/DrJRMyers/portfolio>.

EDUCATION

- **Ph.D., History**, Loyola University Chicago
- **B. A., Cum Laude, History**, Oakland University (MI)
- **Post-Grad Certificates, Business, GIS**, University of Denver

PROFESSIONAL PROFILE

Senior marketing leader with a strong track record in B2B tech and SaaS content. Skilled in building revenue-driven strategies, resonant messaging, and digital campaigns that grow reach and conversions. Collaborative and data-driven, with expertise in team leadership, cross-functional alignment, and budget management. Known as the “glue guy” who brings transparency, accountability, and context to every project.

Top 5 [Strength Themes](#): Context, Deliberative, Intellection, Learner, and Achiever.
