PROFESSIONAL PROFILE

Tech-savvy Senior Content Marketing Leader with a proven track record in the B2B tech and SaaS sectors. Strategic thinker and collaborator, focused on creating and executing end-to-end content processes tied to revenue. Passionate about telling engaging stories. Expertise in creating effective content strategies, developing resonant messaging, and leveraging digital technologies to increase reach and conversions. Adept at cross-functional collaboration, data-driven decision-making, budget management, and team leadership. Big believer in transparency, accountability, and the relevance of context. The “glue guy” on the team.

Top 5 [Strength Themes](#): Context, Deliberative, Intellection, Learner, and Achiever.

PROFESSIONAL EXPERIENCE

Datality | Aug. 2024 – Present

Data engineering professional services company

Fractional Head of Marketing (*Part-time*)
